The University Academy School-Parent Compact is an agreement between the school, parents, and students that firmly unites us. The School-Parent Compact was developed jointly and reviewed annually with school staff, students, and parents to improve student academic achievement. As a school-community, University Academy will focus its School-Parent Compact on the academic standards to support all students and help them reach mastery or beyond in reading, writing, and mathematics. Below are ways each team member will be accountable in a partnership for helping to achieve the state's high standards.
